youth (i.e., "unduplicated students" for purposes of the local control funding formula);

8. student outcomes in the specified course of study; and
9. any local priorities adopted by the Board.

In completing the required template, the District shall include all metrics required by law.

In addition to the required template, the District shall include a step-by-step calculation of the District's Minimum Proportionality Percentage (MPP), which is the percentage by which the District must increase or improve services (either qualitatively or quantitatively) for unduplicated students and shall include an executive summary of the LCAP written for the public, which shall also be translated into Spanish.

Appendices may also be included as directed by the Board or chosen by the Superintendent or designee.

District staff shall create local accounting codes to separately track expenditures for each
