Priority consideration will be given to subject areas or skill areas that have not recently received major allocations for professional learning; specifically, world languages, visual and performing arts, special education, special education instructional assistants, and K-8 mathematics.

K-8 Curriculum Teacher Leaders

\$60,000

The recommendation is to continue funding an annual stipend for each participating Teacher Leader. The BSEP funding will provide 17 Teacher Leaders for Equity, as well as 4 Teacher Leaders for middle school math, 4 for middle school ELA, and 2 for Next Generation Science Standards.

2017-18 SMART Goals Include:

A. Cultural Competency Goal:

By the end of the 2017-18 school year the BUSD Professional Development Department will provide three Cultural Competency Academies with up to 90 teachers participating.

B. Instructional Technology Goal:

By the end of the 2017-18 school year, instructional technology will be integrated into at least three Professional Development sessions per grade span: K-5, 6-8, 9-12. The funds allocated to the Instructional Technology TSA in this budget will also directly support the instructional technology professional development efforts currently underway in a joint/collaborative effort with the technology and library departments.
