Question: Can you orient us to the genesis for us of putting forward the African American position?

Answer: Our African American boys, we're losing them so with a case management program really watching the kids, we can see what has been working. We need more support for these students or else we will continue to lose them

Answer: Something is not working for them in our system

Question: Do we know if they are leaving and going to private school ?

Answer: Yes they are

Question: Would this be a social worker or psychologist?

Question: Is this for next school year?

Answer: We hope to be ready by the start of next school year, so we will know about the grant in June

Question: Is the District open to allowing some of the successful organizations into the District?

Answer: I think these programs are having so much success because it's more personalized, it's little strategies, teacher to student relationships. Everytime I hear about these programs they are always focusing on relationships. Relationships just continued to come up

Question: How do you create that small micro environment in a huge district? Is it possible to create that ?

Answer: I think so and I've seen it done through AVID, I'd like to see us go AVID district and school wide.

**3. LCAP Recommendations:**

**A. New Actions Recommended for 2017-18**

Question: Am I reading this right, elective? Is this all three grades?
